

WORKING GROUP ON ECHOCARDIOGRAPHY OF THE EUROPEAN SOCIETY OF CARDIOLOGY

Dear Member,

During the last Nucleus Meeting of the Working Group on Echocardiography (WGE) in Munich, our Chairman, Prof. Fausto J. Pinto, proposed that the WGE provides 40 grants of 500 € in order to encourage the participation of young investigators in EuroEcho meetings.

The Nucleus of the WGE has agreed with this proposal and has suggested that the Nucleus of the WGE in conjunction with the National Societies will then select young candidates who may benefit from this WGE grant on the following criteria:

- Age < 35 years
- Acceptance of an abstract
- Adequate representation of the different European countries.

*If you would like to benefit from this WGE grant, please send back your name, contact details and one page Curriculum Vitae **before June 15th** to:*
